BECAUSE OF THE WIDER gap than usual between issues (The Press made its appearance on Monday before Thanksgiving), it has given us an opportunity to clear up and/or eliminate some of the notes (?) that we have accumulated over a period of time.

As "Constant Reader" probably recalls, we do this periodically.

It serves two purposes: (1) it makes room in a bulging manila folder for current trivia and (2) it often results in a paragraph or two for this column.

We may be repeating ourself, as "Constant" knows, but there is another aspect that presents sort of a challenge to us.

In some instances, we haven't the vaguest idea what the note, if it is in our handwriting, means, inasmuch as when our scrawl is "cold," it is almost undecipherable.

Generally also there are various clippings, news releases and paragraphs of one sort or another in the folder.

Maybe at the time they were "filed" there was a reason, although that, too, may be debatable.

Especially when after several months have elapsed, the reason often seems to have evaporated.

-0-

SCRAWLED ON THE margin of a weekly newsletter called "Legislative Hot Line" of the Builders Association of Santa Clara-Santa Cruz counties, which we found in our file, are some notes in our handwriting.

The office gets these so-called newsletters regularly. We generally look them over because the person who puts them out seems to have this thing against all governmental agencies in the two counties.

Unless, of course, a city council, a board of supervisors or a planning commission does something that apparently favors the builders.

There are generally about four paragraphs in each newsletter and each one is devoted to some specific board, commission or council of a particular area whose actions, or inactions did not meet the criteria of the builders association.

Or, at least, the guy who puts out the newsletter.

We imagine the builders who receive the bull-etin, chuckle heartily at the writer's heavy sarcasm and attempts at witticisms as he verbally castigates the people in authority.

But that is to be expected.

It has been our observation that, as a rule, builders seem to feel that the authorities have been too rough on 'em.

The newsletter in our file had a paragraph pertaining to Campbell which we apparently read with interest and scrawled these notes in the margin (we think):

"Inept attempt to be humorous or sarcastic--trying too hard to be funny--what's the point.."

Here's the paragraph:

"CAMPBELL--Some Monday when everything's gone wrong and you want to keep the streak going, fall by the local planning commission meeting. Wire to wire, you'll enjoy a good cry. While the rest of the universe worries itself to drink over better land use and how to house the houseless, the chairman and his reluctant dragoons prance ever backward to their different drummer. It's therapeutic, damn near..."

We recall that after reading that paragraph the first time, we couldn't figure what the guy was trying to say.

We still don't.

Do you?

SOON TO EXPAND--At the present time these four young people, left to right, Cindy Casteel; Becky Campos, chairman; Julie Thiebaut; and Doug Hebard comprise the total membership of the Youth Advisory Commission. But the picture is soon to change.

Originally the commission was established with nine members but under a pending city ordinance, the membership will be reduced to seven. In recent weeks, new interest has been generated in the Youth Commission. By the deadline this Friday, Dec. 1, more than 20 applications are expected for the three positions that are open.

DEADLINE THIS FRIDAY

Local interest picks up for Youth Commission

As a result of a determined effort by young people to acquaint other young people attending the schools in the area with the objectives of the Youth Advisory Commission, between 20 and 30 applications are expected for the three positions that are now open on the Commission.

The deadline for the applications, which may be filed at the city hall or at the applicant's school, is this Friday, Dec. 1.

Concerned with the apparent lack of interest that had been shown in recent months in the Youth Commission, when the membership dwindled to four from a full complement of nine, the City Council met last month with interested young people to determine whether there was a need for the advisory body.

More than 50 attended the informal hearing. The response indicated that the Youth Commission was needed and wanted and following the meeting the youths became "missionaries" and spread the word to the various schools via a special "Youth Letter" that was distributed.

On one side of the "Youth Letter" was an application blank while on the front was a picture of the four present commissioners, Becky Campos, chairman; Cindy Casteel, Julie Thiebaut and Doug Hebard.

The "Youth Letter" also included a message from Miss Campos entitled, "We Need You!" and a brief resume of the various fields in which the Youth Commission could participate.

At the November 14 meeting of the Youth Commission, Jerry Henderson was appointed as distributor of the "Youth Letter" for Castro Junior High; Ben Gullo for Prospect High; Darlene LaPlace for Campbell Junior High and Russell Lopez for Campbell High.

In addition, the four commissioners took it upon themselves to get the letter circulated in the other schools.

In her message, Chairman Campos explained that the Youth Commission was formed in 1969 for a very simple purpose, "to advise the City as to what they should do for young people."

She cited the accomplishments that the Commission had attained and emphasized that the biggest problem was to get young people to work with them. She added that the Youth Commission was the way to make their voice heard in city government.

She emphasized that there

Bravery acts could become habit for postal worker

A member of the Campbell postal service has been cited for bravery, not once, but twice in recent weeks, according to Glenn Knowles, assistant Postmaster.

Raul Garza, local letter carrier, is credited with rescuing a youngster locked in a trunk while delivering mail on his route.

Hearing the cries of several other youngsters, Garza joined them and managed to break the lock, freeing the child.

A sidelight to the incident was that, while trying to free the child, he was bitten by a neighboring dog. He suffered no serious injuries.

For this action Garza was awarded $100 cash and a special achievement award from the U. S. Postal Service.

Just ten days later, while attending a festive gathering at West Valley Post 158 Legion Hall, a member of the band collapsed. Garza applied mouth-to-mouth resusitation to the victim until the fire department unit arrived. He was credited with saving the man's life.

For this action Garza was presented with an engraved plaque at ceremonies by the National Association of Letter Carriers Branch 3988.

Building plans get board okay

Bids will be opened on December 13 in the Campbell Union (elementary) School District office for construction of a classroom cluster at Hazelwood School, office enlargement at Forest Hill and enlargement of the teacher's room at Campbell Elementary.

Trustees on November 20, reviewed the plans as presented by Higgins and Root, district architects. The additions will be financed by district bond funds.

Higgins and Root were also directed to build seven portable classrooms to replace those now being leased by the district. They will be located where needed in the district and built on the site.

AFFECTING EAST CAMPBELL AVE.

County to share costs of traffic study with city

Campbell will receive cooperation from the county in attempting to solve the through traffic problem that exists on East Campbell Avenue, it was indicated this week.

On Monday night, the City Council agreed to share the costs (up to $3000) in a joint traffic study with the county for the area extending from Hamilton to Dry Creek Road and from Leigh to Bascom. (Much to the concern of the residents, East Campbell Avenue between Leigh and Bascom has become a favorite route of commuters.)

In agreeing to share the expenses of the study with the county, the City Council specified that the city was primarily interested in finding a solution to the problem and that should be the objective of the survey.

The overture by the county to work with the city on the problem marked a milestone in the situation, councilmen noted, and followed a notification from the City Council that the city planned to take steps to alleviate the problem within 90 days.

Campbell had held up the installation of a blockade at Midway after an informal hearing in which a packed house of residents on adjacent streets, mostly in county area, vehemently protested such a project. County authorities had also objected to the proposed blockade.

Councilmen expressed confidence that with county cooperation, many of the traffic problems could be eradicated.

At Monday's meeting also by resolution the City Council approved the installation of four-way stop signs at Midway and East Campbell Ave.

The action had been agreed upon when the "Midway blockade" hearing was held.

Council adopts policy for funding city's loop system

In actions that could have a long-range impact on the community, the City Council on Monday directed staff to initiate procedures for the formation of a downtown parking district and established a policy for the development of the north and south loop streets.

The "loop policy" specified that the acquisition of rights of way and street improvements would be done with city funds. Councilman Rusty Hammer opposed the policy. He indicated that he felt developers who could be benefited by the improvements should pay more.

Previously to the adoption of the "loop policy," Hammer had objected to the agreement that had been hammered out in the proposed Sunsweet development. The young councilman said he would not vote against the zoning ordinance, the first step in the development program, but that he felt that the developer in this case should be required to do more on the loop street program.

In another far-reaching aspect, the City Council agreed to participate with PG&E at an approximate cost of $55,000 in the undergrounding of utilities in the Hamilton Ave. street project from Highway 17 to Winchester Blvd.

PG&E estimated that the entire cost would be $325,000 but using relocation credit funds through 1975, the city's share would be only $55,000 PG&E officials also pointed out that the undergrounding program would also call for the removing of poles on Winchester between Hamilton and Campbell avenues.

In another policy matter, the Council specified that for the purpose of the current public facility element of the general plan, the Dot Avenue site purchased by the city for a fire station location, should remain listed that way. Studies have indicated that the Dot Avenue site was not the logical location now for a station.

In a related matter, the Council directed staff to initiate discussions with property owners, affected by the proposed parking district, as to a possible site for a fire station.

With Councilman Dean Chamberlin voting no, the Council authorized the mayor to officially notify the Planning Policy Committee of the county that the city endorses the concepts and statements as presented in the "assisted

MODEL OPERATION--As part of her presentation before the City Council and Planning Commission in support of her request for a zone change to allow a dog and cat boarding kennel at 1849 Pollard Road, Joyce Kealoha constructed the model to scale (above) of the area. The model shows the railroad tracks, streets, etc., as well as the buildings that are planned. The zone change request and the kennel operation has been approved by the Planning Commission subject to submission of plans for the buildings and a report from an acoustical engineer on the sound level. The City Council has deferred action until the acoustical report is submitted.

CITY COUNCIL WANTS TO KNOW

Will noise level of proposed kennel disturb neighborhood?

Will any noise that may emanate from a proposed dog and cat grooming and boarding kennel operation on a triangular parcel of property off Pollard Road be a disturbing factor to the immediate neighborhood?

That is the question that first should be decided, the City Council indicated Monday night, before action can be taken on a requested zone change that would allow this type of operation on the property.

And to help make the decision, the Council will have a report from one or more qualified acoustical engineers.

The decision to defer action on the requested zone change from R-2-S to P-D (planned development), by Joyce H. S. Kealoha, of 1849 Pollard Road, which had received the unanimous approval of the Planning Commission, came after almost two hours of discussion at the public hearing on the matter.

Opposing the zone change and kennel operation was Fred Chez, local developer, who is in the process of building a small commercial center on adjoining property separated by a drainage channel from the proposed kennel.

Railroad tracks, the proposed West Valley Freeway, and a utility easement also border the property.

In recommending the zone change and kennel operation, the Planning Commission specified that the plans and elevations of the proposed development would have to come before the Commission for subsequent approval. It must also include an environmental impact report from a qualified acoustical engineer on how to maintain reasonable sound levels within the buildings and from open dog runs.

Chez, who had also opposed the kennel operation before the Planning Commission, submitted a letter to the City Council from Ed Pack, former planning commissioner, who is an acoustical consultant. Chez explained that Pack had been retained by him to make an acoustical report on the proposed kennel.

In her presentation to the Council, Miss Kealoha described the type of operation she planned. To supplement

Drug chain plans to build here

Plans for a new Long's Drug Store (between "Angel's" and the main shopping complex) in the Hamilton Plaza Shopping Center (1720-30 S. Bascom) will be before the Planning Commission next Monday, December 4.

The well-known drug chain will have 26,000 square feet in its main building and there will be 5,000 square feet for other shops.

Other matters that will be on the agenda, include plans for a warehouse office at 1261 Dell Ave., submitted by Stat Associates.

Before the Commission again will be the plans for an apartment complex at 400 W. Rincon submitted by Marshall Kent & Associates. At a previous meeting, the commissioners indicated that the density was too high and continued the matter to allow the applicant to modify the plans.

Plans for a plumbing shop at 240 Dillon Ave. submitted by Vern Buckle, which also have been before the Commission before, will be up to bat again next Monday.

In another item on the agenda, Delton Perry is seeking a use permit to convert a residence into an office at 131 E. Hamilton.

Editorial

Neighborhood problem

The commuter traffic that traverses that portion of East Campbell Ave. between Leigh and Bascom daily has become an irksome and frustrating problem for those who live on the street.

During the past years the traffic has increased constantly. A recent traffic count reveals that 6200 cars travel the street daily, making it the heaviest traveled residential street in the community.

The residents on the street have appealed to the City Council to see if some means can be found to reduce the so-called "through traffic" and thus reduce the hazards that appear to increase with the traffic.

We are in sympathy with the residents in their plight and agree with them that the City Council should recognize the problem and, if possible, work out a possible solution to it.

We also agree with the residents on the adjacent streets that any proposed solution that would merely shift the burden from East Campbell Ave. onto the other streets would really not be a solution.

And the residents of the traffic-plagued East Campbell Ave. have indicated that is not their goal.

They maintain that the traffic situation on the street, however, is a neighborhood problem and that no one street, as is the case now, should be saddled exclusively with it.

We agree wholeheartedly with that premise. We sincerely believe that any solution must encompass the street pattern of the immediate area.

Unfortunately, because of the meandering city boundary lines, many of the adjacent streets are in unincorporated territory and thus question of jurisdictional authority has been raised.

At the informal public hearing on a suggested solution, which would diagonally blockade Midway and eliminate through traffic on East Campbell Ave., the residents on the adjacent streets vigorously protested the suggestion.

Although it was specified that the "Midway blockade" would be installed on a trial basis and, if it proved unsatisfactory, it could be easily removed, the "county" residents were adamant in their opposition.

The purpose of the "blockade", as was pointed out by Bill Wren, public works director, was to force commuter traffic to take round-about routes and thus could cause them to use the freeway and expressways built at a cost of millions for their use.

But the residents indicated vehemently that they opposed even a trial basis.

They interjected the concept that the solution was merely a means to pass the burden onto the county from the city and they cited the objections to the proposal that had been filed by the county public works department.

These objections included the claim that the other streets in the immediate area could not carry any extra traffic and also that it was felt with "280" completed the traffic load would decrease on East Campbell Ave. The county officials asked the city to defer implementing the "blockade".

At the hearing, the City Council did defer action on the "Midway blockade", although it was indicated that four-way stop signs would be installed at the intersection.

The deferrment was for a 90-day period to determine whether the opening of "280" would have any effect on the traffic conditions. But the City Council also served notice on both county and state authorities that after 90 days, if conditions were not bettered, the city would seriously consider the "Midway blockade".

In the editorial in the San Jose News on November 17, the City Council was commended for "resisting temptation to deny motorists one of their favorite routes". And the "Council wisely decided" not to disrupt traffic.

Unfortunately the editorial writer missed the point of the issue. He also failed to note that the Council deferred action only for 90 days and, after that time, the Council will try to find a solution if the situation was not bettered.

Obviously the San Jose newspaper is not interested in a problem that affects this community. The paper is concerned with depriving the commuter of a "favorite route". And, if the "favorite route" goes through a residential area instead of on thoroughfares that have been built for them, so what?

We are disappointed that the residents who voiced their objections to the "Midway blockade", would not concede that the East Campbell traffic is a neighborhood problem and not confined to one street or a city.

Until the blockade plan is tried, how can we tell what the results will be?

And let us add a personal note for the record. The writer of this editorial lives on a street (Ridgeley) that could be the most affected by the so-called "Midway blockade".

But we haven't the slightest idea of how much our street would be affected by such a project. And nobody has, until it is tried.

So what's wrong in trying it?

Although the matter has been officially deferred for 90 days, already there have been some tangible gains.

County authorities, who in the past have been content to pass the particular traffic problem onto the city, have indicated recently that maybe the city and the county should work together in solving it.

Such action could bring the picture into the proper focus making it a "neighborhood" problem in fact, regardless of where city and county boundary lines might be.

ously.

So we suppose that's why in our trusty manila folder, we dumped some informational material from an insurance company offering a libel coverage policy.

It was an announcement from "Potomac Insurance Company Limited" of Hamilton, Bermuda.

We quote: "Just recently, in answer to a demand to serve weekly newspapers throughout the United States, Canada, and related areas, the Potomac Insurance Company Limited, has been formed to write libel exclusively for weekly newspapers..."

An application was enclosed as well as a specimen form of a policy and a table of premiums.

We suppose it's something to think about.

But we would rather not.

ANOTHER ITEM IN that aforesaid folder, was interesting.

It was a reproduction from CTA Action headed: "board elections...Help on Chapter Campaigns".

"Chapters planning active participation in next spring's school board elections are being offered major help from the CTA Political Education Department.

"In a letter to all chapter presidents, Joyce Fadem, political education executive, said the department is offering professional assistance to chapters and is willing to make a commitment to early planning and chapter involvement.

"We are giving highest priority to helping chapters prepare for effective 1973 election action," Mrs. Fadem said...."

"Chapters indicating a desire to participate in the forthcoming school board election will receive step-by-step guidelines for an analysis of their needs for an effective election effort.

"Guidelines for evaluating candidates and suggestions for their identification will be provided...

"Chapter presidents should sit down with the executive board and political action chairman and evaluate their situations objectively, taking into account not only the quality of their present school board, but the kinds of challengers who may present themselves next spring," Mrs. Fadem explained.

We also had scrawled a note on the page.

"Others could well heed this"....

We are not sure what we meant.

Maybe you do.

IN THE FOLDER ALSO was the little booklet, "One Nation Under God" by Dr. Norman Vincent Peale, which is being distributed at no cost to schools by the non-sectarian, non-profit "Foundation for Christian Living" in Pawling, New York.

In an accompanying "guest editorial" by Lowell Thomas, noted world traveler and dean of radio commentators, he explains that the booklet features the basic facts about the religious life of America right from the days of Columbus, who attributed his discoveries to "Divine Guidance", to the astronauts who read from the Bible as they made their historic first voyage around the moon.

Lowell Thomas adds that the booklet has helped him to a better understanding of his fellow countrymen and that he was sure it would be useful to all who would read it.

It seems to us that it is worth a try.

We mean, if it could help in any way for us all to get a better understanding of our fellow man, let's give it a whirl.

With the state of things today, what have we got to lose.

AND HERE'S AN ITEM that we have no idea why it was saved: "Tau Kappa Epsilon Fraternity recently completed a year in which a number of major milestones were accomplished.

"The fraternity which will celebrate its 75th anniversary in 1974, installed its 300th chapter. The 300th chapter is located at the University of South Alabama in Mobile. TKE is the largest college fraternity on the continent though it is one of the youngest. In addition, the 100,000th TKE member was initiated in February of 1972."

It also noted that the fraternity had constructed a new $309,000 modern one-story headquarters in Indianapolis.

We recognize that the impact made by such a news item is pretty limited.

But we think we know why we stuck it in the folder.

We had been given to understand that college fraternities and sororities were being phased out on the campuses throughout the country.

But apparently the TKE's haven't heard about that.

THERE ARE STILL more tidbits in that folder of ours. But they will just have to stay there until we can get around to 'em.

And despite what some of you may personally think of the contents of the column this week, one thing is for sure.

That old manila folder doesn't bulge as much now.

A FIRST!

A special Thanksgiving Day bundle, that arrived in the early morning hours, made that day one of real thanksgiving for Mr. and Mrs. William H. Campbell and the Rev. and Mrs. W. H. (Ben) Gould.

Jody Lynn Campbell, all five pounds and seven ounces of her, was considerate of all concerned and made her appearance in this world for the first time on Thanksgiving Day 1972.

Jody is the first child of Mr. and Mrs. Campbell. Her father is on the coaching staff of West Valley College and her mother, the former Jeannie Gould, taught at Branham High. They live at 23507 Summit Road, Los Gatos.

AND, just in case you haven't heard by now, Jody is the first grandchild of the Rev. and Mrs. Gould, of the First United Methodist Church of Campbell.

Commission okays condominium office complex

Plans for a novel condominium office complex to be located at 900 E. Campbell Ave., and extending to Michael Drive received the approval of the Planning Commission at the last meeting.

The proposed condominium office complex will be located across the street from the PruneYard and Peter Hodgkinson, one of the applicants, said the same motif would be carried out.

The proposed building of 5,180 square feet would have a swimming pool, locker room, sauna and kitchen on the site which contains 19,867 square feet. Access would be off Michael Drive.

Also approved were plans for a warehouse for Martin & Martin Construction Co. at 1400 Dell Ave. and for an additional live-in cottage and day-care center for Eastfield Children's Center at 241 Lewellyn Ave.

The Planning Commission also approved the plans for a free-standing, heavy gauge steel kiosk for Cee's Flower Shop in the Campbell Shopping Center at 1713 Winchester Blvd. at Latimer. The application was submitted by W. L. Provax.

The Commission, however, denied the application of William Unger, on behalf of Foodmakers, Inc., to expand and enclose the dining area at the existing Jack-in-the-Box restaurant at 1450 W. Campbell Ave.

The denial followed the staff's recommendation which specified that the proposed plans decreased the parking area at the restaurant.

The Planning Commission approved a zone change from P-D to C-2-S for property at 1805 S. Bascom as requested by Glen W. Dobbs. The property had been changed from C-2-S to P-D in 1971 when plans for an apartment unit had been submitted.

Subsequently the apartment plans were withdrawn and the applicant informed the Commission that a commercial development, possibly a well known restaurant, was now planned for the site.

The recommended zone change to C-2-S will extend for a depth of 310-feet off Bascom.

In another zoning action that had been pending for some time, the Planning Commission dropped proceedings for a proposed zone change from C-2-S to R-1 or R-M for property at 1062 E. Campbell Ave.

The action was taken after it was reported that a grant deed had been recorded which specified that the property would revert to the city if it were sold or transferred to anyone other than the legal owner of the "La Fonda" restaurant which it adjoins.

The zone change action had been instituted because the commercial lot fronts on East Campbell Avenue and the city policy specifies that commercial activity in the area must front on Bascom.

Action on the plans for a proposed 58-unit apartment complex to be located at 400 W. Rincon Ave. was continued until the December 4 meeting of the Planning Commission after the commissioners indicated informally, at the request of Dick Howell, representing Marshall Kent & Associates, the developers.

Both the staff and the architectural review committee, headed by Commissioner Bob Stewart, had recommended denial or continuance of the application because the plans call for a higher density per acre than the modified general plan now allows.

The Planning Commission also at its meeting approved the conservation element to the general plan but continued action on the public facilities, and circulation elements until the December 4 meeting.

The Planning Commission also approved the check list used by the planning staff in assessing the environmental impact of the 264-unit apartment complex of Lincoln Property Co. at 265 and 275 Union.

The Commission continued until the next meeting, action on the request of Neil Chase, representing S & J, Inc., for direction as to approved uses for the property on North Harrison Avenue, formerly occupied by the Campbell Moving Co.

The warehouse is now a non-conforming use, the staff explained, but that the proposed use, "a 14-foot converter," was not expected to increase the intensity and that fewer people would be employed than in the moving company.

Chairman Don Hebard emphasized that the property was olocated in the Civic Center Zoning District and it was a question as to whether such a use would be allowed.

was no way to make recommendations unless the young people of this community have something to offer in the way of ideas, suggestions and work."

She ended with the appeal: "We need you. Join us -- today."

The "Youth Letter" listed eight ideas for projects that had been suggested: (1) Work to create a youth center and recreation for young people; (2) Set up a youth employment center; (3) Work in the areas of ecology and recycling; (4) Inform young people about city government; (5) Set up bike trails; (6) Try to find areas to ride motorcycles and mini-bikes; (7) Work with senior citizens; (8) Work in the areas of delinquency and drug abuse.

That the campaign to get young people interested was paying off was evident this week when it was reported on Monday that approximately 20 students had indicated at their respective schools that they were interested.

Members of the Youth Commission must live within the city limits of Campbell but other young people in the area can also take part in the activities.

her report, she used a model she had built to scale indicating location of the streets, tracks, proposed freeway, and other details of the project.

She explained that veterinarians in the area had emphasized the need for such an operation and described her experience in the field.

Supporting Miss Kealoha in her request were Jim Crough, of 758 W. Rincon and Allen DeGrange, architect. Crough emphasized the need for a kennel operation and DeGrange described the type of buildings that would be constructed. He also showed pictures of similar operations that he had planned.

Chez, besides maintaining that the application was illegal, voiced objections to all phases of it.

Both City Attorney Bob Dempster and Art Kee, planning director, in refuting the charges of Chez, assured the Council that the application met all requirements.

The councilmen, in voting to defer the matter for two weeks, indicated that they should have the acoustical report before acting on the zone change. Miss Kealoha said that she would try to get it as soon as possible and would try to have it by the next meeting.

Sitters graduate on Monday

Thirty-nine graduates of the Campbell Fire Department's "Baby Sitters Seminar" will be honored at promotional exercises on Monday, December 4, at St. Lucy's Church.

Mayor William R. Podgorsek and Father Leonard W. Bose will be among those honoring graduates, according to Fire Chief Gene Borden.

Members of the city council and local state legislators have also been invited to the exercises which will begin at 7 p.m.

The ninth graduating class to be honored, students have studied such subjects as emergency first aid, safety, nutrition and meal preparation, and games and activities for small children.

The program, initiated by the fire department five years ago, seeks to instruct sitters in proper child care and to give first aid information and training that could save lives in the event of an emergency.

The students of the ninth graduating class to be honored have studied such subjects as emergency first aid, safety, nutrition and meal preparation, and games and activities for small children.

Girl arrested at PruneYard

One youngster's plan to boost her holiday gift giving by shop-lifting may result in her missing Christmas at home altogether.

Three Campbell youngsters, ages 13 and 14, were arrested at the PruneYard Friday after they were observed removing articles from one of the stores there.

One youngster was later determined to be uninvolved and was released after questioning. A second was cited and released to his parent's custody. The third, a 13-year-old student, was taken to the Santa Clara County juvenile center.

Recovered were articles valued at over $150 including a leather coat and vest, perfume and gift candles.

According to reports, the pair planned to use the stolen items as Christmas gifts.

WINNING ISN'T EVERYTHING YA KNOW....

Looking suspiciously like my other favorite sports team, (the California Golden Seals) the Campbell Buccaneer varsity football team went down (but with dignity) to the Los Gatos Wildcats, 35 to 6.

I don't know as much about football as I do about hockey, but something impossible to ignore was the presence of Los Gatos' Rick Bauer, who dominated everyone.

Now, Campbell has a better team than most people think, and they can be as tough as anybody when they want to, but when faced with a normally strong team to begin with, plus having to fight against the Bobby Orr of the Campbell Union High School District football league as well ....It was just a plain case of--no way.

Campbell did have a stand out of it's own, and although their scoring power was kept to the barest minimum, Jim Oswald played a valiant effort on behalf of his Alma Mater. If anybody had the power and the brains to defeat the Bauer machine, it was Oswald.

However, it takes more than a quarterback to score a touchdown, and subsequently there were enough fumbles and interceptions to keep his scoring opportunities to only six points.

Six minutes into the first quarter it was Los Gatos 7, Campbell 0, highlighted by three passes to Rick Bauer including a 27 yard pass for the score.

When Campbell punted the ball to midfield, Los Gatos began a drive which culminated in a 40 yard td run by Gary Lynn, and the score became 14-0 with 40 seconds to go in the first quarter.

Into the second quarter, LG fumbled and Jim Oswald recovered. Four plays later Kurt Russell caught an Oswald pass to make it 6-14 Los Gatos. The kick was blocked.

Only six and a half minutes into the second quarter Dan Thielman of Los Gatos ran it in from the four yard line to score their third touchdown, 21-6 Los Gatos.

Near the middle of the second quarter Campbell was deep in their own territory when they fumbled and Bruce Baxter of LG recovered, on the 12 yard line. It looked like a sure touchdown for the Falcons, but Campbell held them off.

However, the Bucs had just managed to move the ball up to Campbell's 25 yard line when they fumbled again and lost the ball to Los Gatos. Two plays later Randy Cobb threw a pass that Walker Royce ran in for another (!!) LG score with 2:40 left in the half. 28-6 was the score at the end of the half. This score was due in part to an interception by Rick Bauer that gave Los Gatos the opportunity to score.

The final score came with 5:40 remaining in the third quarter when a 36 yard run by Gary Lynn brought the ball to Campbell's 20 yard line, and then to score two plays later on an eight yard run to make the final score 35-6.

Late in the fourth quarter Campbell's Henry Egurrola was carried off the field with an obviously painful injury. I don't know what it was or if he's okay now, but I hope he'll be all right.

Anyway, it was a good try by the Bucs, and, well, there's always basketball.

CALENDAR OF EVENTS

HERE YE, HEAR YE! On the thirtieth day of November, in the Thursday of the year of our Lord nineteen hundred and seventy-two, shall be performing an assemblage of great accord, being to which it be the play of the graduating class of Campbell High: THE EFFECT OF GAMMA RAYS ON MAN IN THE MOON MARIGOLDS.

This being a royal performance of great acclaim, whereby it has been commanded that all attend. Curtain at 8 p.m. Adults $1.50, Students, $1.

Friday, December first, belongs to the play again, in case any of you happen to miss it Thursday night. Campbell High School auditorium, 8 p.m.

The next big happening comes on Tuesday, December 5, in the form of a Fall Sports Banquet. The details are to be announced, so if you are an athlete, or the parent, relative, or friend of one, just keep in touch with the school. There should be news soon.

Coming up next week is (on the 6th) an all day Acappella Choir Festival at San Jose Civic Auditorium.

On Thursday, the 7th, is girls basketball and hockey (field, darnit) at Prospect, and a F/S Basketball Tournament in the Boys Gym.

Friday is basketball in the boys gym, and at 8 p.m. a Christmas dance in the cafeteria.

Saturday is another basketball tournament in the Boys Gym.

And that's the week (or two).

EXCITING PRODUCTION

I'd like to call attention to an exciting event which happens to be Campbell's senior play "THE EFFECT OF GAMMA RAYS ON MAN IN THE MOON MARIGOLDS." I dare you to say that ten times without stopping.

Although it is a relatively recent play, it has won four awards for literary excellence and when it was performed by the San Jose Theater Guild a little while ago it got positively rave reviews.

Campbell's version will be directed by Pat Kyle (a slave-driver, but a perfectionist) and stars Lynne Eldridge as Beatrice, an emotionally shattered woman who fears being "different" above all else, because of her unhappy childhood where she was referred to as "Betty the Loon." Melodie Lansford portrays an introverted, quiet fourteen year old genius, who escapes from the tauntings of her sister and mother by completely wrapping herself in her science fair project: a study on how gamma rays effect a particular variety of Marigold. Tillie is awed by the power and the beauty of the atom, and is undoubtedly the only sane one of the group. At least, almost sane.

Tillie's older sister Ruth is played by Sandy Mann (me). Isn't that a coincidence? Anyway, Ruth basically is attention hungry, and will go to any length to obtain some.

She is particularly jealous of her mother's affection, and goes all out to keep from being ignored in the face of her younger sisters' achievement.

Ruth is a nymphomaniac, an epileptic, and smokes incessantly. She has nightmares and is afraid of death after seeing various old people, whom they board for extra money, die slow and horrible deaths. None of this is shown on stage, but the screams and hysterical sobs in her mother's arms at night make the picture real enough.

I'm sure I've made this story very macabre sounding, but actually it is a sensitive, emotional, and sometimes even funny story that says a lot about each of us in it's own way.

The superb, though small, part of the "dried prune", "zombie" and "manure machine" (among other names) is played by Jo Anne Ring as Nanny, and Janice, Tillie's fiercest competitor in the science fair, is played in an hysterically funny part by Maureen Hughes.

Even if I wasn't in it I would urge you to go see it, because, well, it's just so good. Besides, it's the only way the Senior Class has to make money, and right now we have practically zilch.

Curtain time is at 8 p.m. sharp on Thursday and Friday of this week. That's November 30 and December 1. Adult tickets are $1.50 and students are $1. Please come. (please?)

GOODWILL PRESENTS DOLL-O-RAMA SHOW

Hundreds of dolls, all types and sizes will go on sale December 2 and 3 at the Goodwill Doll-O-Rama. The doll show and tea, free to the public, will be held each day from 10 a.m. - 5 p.m. at the Trinity Episcopal Church Parish House, 81 N. Second St., San Jose.

The area's largest doll show is sponsored annually by the Pomona Grange to benefit the handicapped and disadvantaged men and women of Goodwill Industries of Santa Clara County.

UNICEF Cards go on sale here

Two Campbell locations will handle the sale of UNICEF greeting cards this year, according to the Santa Clara Valley Chapter headquarters.

Campbell Travel Service and Upstart Crow Books are stocking the cards, proceeds of which make up an important source of income for the United Nations Childrens Fund.

UNICEF sponsors long range programs in over 112 countries in the field of child nutrition, mother-child health, disease eradication, education and social welfare.

A REAL PROBLEM

A recent flyer, sent out by a local women's group, posed a question which could be very thought-provoking.

St. Lucy's Mother's Guild is sponsoring a Christmas fund-raising event and as part of the more usual announcements posed the following: "What do you do when you're 40 years old and nobody can come out and play with you?"

Well?.....

New grandparent program begins

Agnews State Hospital is inaugurating a new activity called "The Foster Grandparent Program." This is a federally funded ACTION program which is unique in that its emphasis is primarily upon participation by men and women over 60 from low-income groups (maximum annual income of $2,000 per person, $2,600 per couple).

This will give certain qualified individuals an opportunity to act as a substitute grandparent or special friend to selected mentally retarded residents of the hospital, according to Ruth Brunner, project supervisor.

Foster grandparents will serve four hours daily, five days a week, as volunteers with a stipend of $1.60 hourly plus noon meal and $1 daily allowance for transportation.

Two weeks of orientation and training are given by the hospital staff prior to service, Mrs. Brunner said.

Interested persons may contact Mrs. Brunner at 262-2100, Ext. 2140.

BOY'S CHORUS SETS CONCERT DATE

Renaissance as well as contemporary choral selections will be performed by the Santa Clara Valley Boys Chorus at the concert Sunday, December 17 at 8:15 p.m. at Saint Andrew's Episcopal Church in Saratoga.

The choir, formed in 1970 by co-directors Kenneth J. Seyler and William J. Slocum, has appeared at many gatherings including the Inter-Faith Religious Arts and Music Festival, Santa Clara Music Educator's Association and San Jose Chamber of Commerce.

They have been featured with the Santa Clara Chorale and the Los Gatos-Saratoga Symphony and have sung at Grace Cathedral in San Francisco.

Saint Andrews is located at the corner of Saratoga and Fruitvale Avenues in Saratoga.

YOUTH COUNCIL SETS FUND-RAISER

A Christmas Pancake Breakfast is planned for Sunday, December 3, at St. Lucy's between 7 a.m. and 1 p.m.

Sponsored by St. Lucy's Youth Council, the breakfast will be held in the church annex.

Prices are $1.25 for adults, 75 cents for children under 12, or $5 for the family.

PARTY SET FOR GARDEN CLUB

Dig 'n' Dream Garden Club will hold a Christmas luncheon party on Wednesday, December 6, at 12 noon, in the home of Mrs. E. Royer, 1110 Camino Pablo, San Jose.

Co-hostesses will be Mrs. Charles Buran, Robert Martin, and Glenn Munson.

The Christmas theme will be carried out in the decorations, and there will be an exchange of handmade gifts.

Activities set at Church

Square dancing, discussion groups and films are part of the offering at the All Church Fellowship Nite this Friday, December 1, at the First United Methodist Church of Campbell.

Planned for 6:15 p.m. in the Fellowship Hall, a potluck dinner is scheduled as well as a community sing and athletic activities for both children and adults.

SENIOR ACTION TOLD AT SERVICE CLUB MEET

The Women's Service Club of Campbell will hear a report by Mrs. Irma Reese of the West Valley Senior Action Center at today's meeting in the Fireside Room of the Methodist Church of Campbell at 1 p.m.

The senior action group operates a retail store featuring handmade goods and also runs a recycling center with the local depository located at 41 W. Rincon Ave.

Mrs. Floyd Arnold, president, will conduct the regular business meeting prior to the special program. Mrs. Jack Wygal serves as hostess for the November meeting assisted by Mrs. William Hoff, Mrs. Gerald Snider and Mrs. Floyd Arnold.

THREE ARTISTS TO BE SHOWN

Primitive oils, jewelry and etchings are featured in the December gallery showing of three local artists at Villa Montalvo in Saratoga. The exhibit will open with a reception for the artists December 10 and run through December 29.

Rae Abraham, Rick Guido and Marvin Spohn will be featured.

The Galleries are open from 1 to 4 p.m., Tuesday through Sunday. There is no admission charge, excepting weekends. The Galleries will be closed Dec. 23 through 25 for the holidays.

Thompson seedless grapes account for more than half of all the fresh table grapes sold by California grape growers.

Speaker's bureau readied

A new Speakers' Bureau to help the public understand the causes of birth defects has been announced by Gloria Mim Mack, chairman of speakers for the Santa Clara County chapter, National Foundation-March of Dimes.

Presentations on drug abuse, rubella, Rh blood factor, venereal disease, and malnutrition, all major causes of birth defects, will have films to accompany them, according to Mrs. Mim Mack, mother of Marty Mim Mack, former national poster boy for NF-March of Dimes.

Arrangements for presentations can be made by contacting Mrs. Mim Mack or the chapter office, 297-1864.

MAKE YOUR OWN CHRISTMAS GIFTS

Expert instruction will be provided in creating your own Christmas decorations and gifts at the annual Advent Workshop Sunday, December 3, from 2 to 6 p.m. at the First United Methodist Church of Campbell.

Fourteen individual booths for creating gifts and decorations are planned.

Cost of the workshop will be limited to materials only.

Following the event a caroling and worship service will be held.

EVIL VILLAIN LURKS—The Gaslighter Theater opens its new season on Friday, December 1, with "Slippery When Wet," or "Frosty." Pictured above, Trevor Krell portrays the villain while Arline Bellamy is the heroine in distress.

Opening night set for old-fashioned melodrama

Old-fashioned Melodrama once again hits the Campbell drama scene as The Gaslighter Theater presents, "Slippery When Wet," or "Frosty."

Premiere performance is set for Friday, December 1, at 8:30 p.m. at 400 E. Campbell Ave. The production will run through March of 1973.

The audience is encouraged to boo and hiss the villain and villainess and to cheer and applaud the hero and heroine, according to producer Faye Cupp.

Directing this season's offering is Don Cupp while Kathy Farabaugh is handling set design. Mark Gaetand will be at the piano and Professor Charles Balof will entertain with magic during intermission. Wayne Fogle handles photography; Linda McKee and Faye Cupp are in charge of costumes.

Reservations and information can be obtained by calling 378-9721.

Three concerts set by chorus

Three December concerts are planned by the San Jose Chorus, under the direction of Reginald Greenbrook.

Saint Saens' "Christmas Oratorio," and Bach's Christmas Cantata entitled, "For Us a Child is Born," will be presented Saturday, December 2 at 8:15 p.m. at the Scottish Rite Temple in San Jose.

Handel's "Messiah" will be performed Sunday at 3 p.m. at the temple, located at the corner of North Third and St. James Streets.

A repeat performance of the "Messiah" will be given at the First United Methodist Church of Los Gatos on Friday, December 22 at 8 p.m.

AUDITIONS

Saratoga Drama Group will hold auditions for their forthcoming production of "Man of La Mancha" on Saturday and Sunday, December 2 and 3, in the Saratoga Civic Theater on Fruitvale Avenue at 1 p.m.

All parts are open and those who plan to audition should bring their own music. An accompanist will be provided. The musical play will be presented in March.

For additional information, call Pat McCaughey at 867-1447.

REBEKAHS WELCOME EIGHT NEW MEMBERS

Eight members were initiated into Ada Rebekah Lodge 223 at recent ceremonies held at the I.O.O.F. Hall.

Noble Grand Vi Pierce presided at the evening meeting which welcomed Eileen Long, Barbara Gray, Beulah Bohleen, Janice Stoops, Cloen Riordan, Erna Glasnor, Frank Dardenilli and Bud Cavin.

Margie Frye also joined as an associate member.

After the meeting members gathered for refreshments and a social hour.

Job's Daughters

Bethel No. 174 held its final meeting of the current term on Saturday, November 25 in the Orchard City Grange. This was the Farewell Meeting for Miss Cherie Stephenson, Honored Queen.

To wind up the term on a note of fun on Sunday, November 26 over 60 people including members of the Bethel and chaperones enjoyed a mystery trip to the Oakland Colliseum to see the Ice Capades.

Mrs. Dorothy Boswell, Deputy Grand Guardian made her official visit to the Bethel on September 9. An initiation ceremony was performed with Debbie Clothier, Angela Bruner and Suzanna Bickham being initiated into the Order.

Recently the girls of the Bethel, their families and friends attended church together at Calvin Presbyterian Church. Following the service the group attended a breakfast in the church social hall and then left in a caravan for San Francisco to visit the Shriners Crippled Children's Hospital.

BETHEL 174 ENJOYS BUSY TERM

A snatch breakfast for the members of the Bethel Choir was held on October 28. Choir members were snatched from their beds at an early hour for the come-as-you-are event and taken for a breakfast of hot chocolate and donuts to the home of council member Mrs. Dee Miller.

On Nov. 4 an election meeting was held with Miss Marilyn Jensen being elected Marshal for the ensuing term. After the meeting a large group attended the Captain's Galley for pizza.

Mrs. Onnolee Larson, Bethel Guardian, and Mr. George Larson, Associate Bethel Guardian, traveled to Los Angeles on November 8 for the Grand Council session. Mrs. Larson was installed Deputy Grand Guardian and Grand First Messenger on Saturday, November 11 at the session.

Installation of new officers and Bethel choir will be on Saturday, December 2 at the Sunnyvale Masonic Temple with Miss Tori Bruner being installed Honored Queen.

Hospital gets new directors

The new manager of J. C. Penney's Eastridge store, George T. Buljan, and a San Jose pediatrician, Dr. Donald P. Stewart, have been elected to the board of trustees of the Good Samaritan Hospital of Santa Clara Valley.

They replace Noel J. Brown and Ellis Langley who have resigned.

Buljan came to this area in 1961 as manager of the Penney's store opening at the Westgate Shopping Center. He was transferred to Eastridge last month. He is very active in the business community, serving as president of the Westgate Merchants Association, chairman of the retail trades united of the United Fund, and director of the Association of Metropolitan San Jose.

He presently serves as a member of the board of directors of the San Jose Chamber of Commerce.

Dr. Stewart, who has practiced in this area since 1956, was one of the volunteers who worked to establish the Good Samaritan Hospital in 1965.

He is a former chief of the medical-dental staff and in addition he is active in the Santa Clara County Medical Society.

Westmont *Open* Mouth

PAUL & MS. MAUREEN
(Macierz) (Hillyard)

Ms.: "All right, Paul, let's get to work---Paul, where are you? We have to write a column. Come on clown! I don't have time---Paul!"
Sybil: "Hi-ya. What's up?"
Ms.: "I've been deserted!"
Sybil: "Huh?"
Ms.: "Paul's left me!"
Sybil: "Figures."

SENIOR LOVELIES

Presiding over the Thanksgiving Homecoming game were 1972 Homecoming Queen Linda Lucas and her princesses, Jane Yegge and Sheila Blank.

The girls were elected from six nominees, and were crowned at the Homecoming dance last Wednesday night.

Ms.: "What do you mean by that? For the rest of my life I'm doomed to a spinsterhood in the high school column circuit."
Sybil: "Do you mind if I have this apple?"
Ms.: "My journalistic career has been blemished for eternity by a wanton partner, and all you care about is stuffing your face with a stupid apple!!"
Sybil: "Don't get melodramatic."

UPCOMING EVENTS, NEWS AND GOSSIP

Congratulations to the freshman class of '76 for winning the student body card competition with 79%.

Girls, get your formals ready! The Christmas Ball is December 20.

Squaw Valley--look out! The Westmont Ski club is coming December 9 and 10.

Hello Basketball season.

The Senate Youth Program has accepted senior Phil Robinson as a semi-finalist to being a state representative to Washington, D.C.

Come and see the "Mighty Westmont Faculty" take on the KLIV Prunes tonight at 8 p.m. in the gym. The elder Warriors won the game last year.

What budding young novice journalist has been seen wearing gorgeous long pink plastic fingernails?

Fledgling writers submit your work to the school magazine, "Myriad."

"Mr. Irresistable" is Kevin Clay.

Farewell Football season.

Sybil: "You shouldn't get so excited about this, kid."
Ms.: "Oh, sure. I'll stay calm and cool....."
Sybil: "So you have to solo on the column one week. Big deal. The truth will come out as to who really writes this column."
Ms.: "Are you trying to get me fired!!!"

FASCINATING FEMALES

Girls Sports is starting a new season with basketball and field hockey.

Basketball coach Pam East is readying the team and managers Mary Burkhouse and Sue Borello for the first game against Saratoga December 7 at Westmont.

Field Hockey coach Daisy Ishibashi, manager Theresa Doffing, and Coleen Clay are also readying the stickwomen for the season opener December 7 against Saratoga at home.

The Girls Sports Cabinet has two new members. Theresa Doffing is new vice-commissioner, and Sue Metcalf is new treasurer.

Ms.: "Ohhh..."
Sybil: "You know, you're really making something out of this."
Ms.: "I'll be brave!"
Sybil: "Too late. I can see the National Guard already coming."

SEND 'EM TO THE SHOWERS

The Westmont Varsity team wound up a terrific season last Thursday making the final rating 8:2.

The scores for the year are: Palo Alto-13, W-30; Del Mar-20, W-8; Saratoga-30, W-16; Branham-12, W-22; Prospect-7, W-20, Los Gatos-14, W-36; Blackford-6, W-28; Camden-14, W-16; Campbell-0, W-30; Leigh-22, W-32.

We're proud of these guys and say thank you to them, and coach Don Stagnaro. In his three years at Westmont, coach Stagnaro has raised the Warriors from last to second place.

We're proud to be Warriors. Let's do it again in basketball!

Sybil: "Listen, stay cool and this isolated column week will come off fine."
Ms.: "Then comes lonely column week, then--oh crud."
Sybil: "You'd better calm down. You're getting your body clenched being so nervous."
Ms.: "I enjoy it."
Sybil: "To each his own."

EGO CORNER

This week we bounce the football teams with Ego Corner.

The varsity and frosh-soph teams have shown Westmont a new era in high school football. They also introduced a new emotion you feel when you win.

So "Hail Mighty Warriors" -- Go, Fight, Win!

Ms.: "Sybil, this has been the biggest hassle. I'm gonna die before next week so I don't have to do it again."
Sybil: "The kid'll be back next week."
Ms.: "What?"
Sybil: "Yeah. Paul went to Redwood Glen for the week as a teacher or a counselor or something like that."
Ms.: "You mean, all through this, and the screaming, and anxieties, and..."
Sybil: "That's right."
Ms.: "Eat your apple."

CARRIER "STRAW HAT" CONTEST

As we go into our third week of the carrier boys pizza contest, we have Russ Casteel as winner of the first week for the most new subscribers. Winner of the second week was Ken Podgorsek, Both boys will receive a "Campbell Special" at the Straw Hat Pizza - 1400 W. Campbell Ave. Also working very hard to win the contest which ends Dec. 9 is Ernie Bedard, Brian Bothman, John Hillier, Bill Butler, and Mark Anderson.

The boy who has the most new subscribers at the end of the contest will be awarded a certificate by Ward Pinther, manager of Straw Hat Pizza, for a pizza and soda every week for six months. The second place winner receives a pizza and soda every week for three months, and third place winner receives a pizza and soda every week for six weeks. Help a carrier and help yourself (to enjoyment) by becoming a subscriber to the Campbell Press.

FIFTY YEARS BETWEEN THEM—Two of the almost 100 employees honored recently at O'Connor Hospital are pictured with Sister Anne; President of O'Connor. From left, Miss Carmen Italton and Miss Lois Kane each received their 25 year pins at the annual awards banquet.

O'Connor gives service pins

Three Campbell women were among 99 honorees at the annual awards banquet of O'Connor Hospital, held at Mariani's Restaurant in Santa Clara.

Mrs. Opal McClendon received her 15 year service pin while Mrs. Elizabeth James and Mrs. Kathleen Cambridge received their ten year pins.

A total of 875 years of service were represented by those honored while employee individual service lengths ranged from 30 to five years.

Jo Ford leads West Valley talk

The country's number one best seller "Jonathan Livingston Seagull" by Richard Bach will be the subject of a book-talk today at 12:15 p.m. at West Valley College.

This best seller, subject of a recent Time magazine cover story, has created much discussion in its rise to fame.

West Valley College English instructor, Jo Ford will conduct the talk in the Ranganathan room at the Saratoga campus library.

The public is cordially invited to attend.

NOVEMBER 29:

On this date in 1963, President Lyndon Johnson renamed Cape Canaveral, Cape Kennedy and redesignated the facilities there, The John F. Kennedy Space Center to honor his predecessor, assassinated seven days earlier.

HOLIDAY SALE BEGINS THURSDAY

Holiday gift and food items will be on sale Thursday, November 30, and Friday, December 1, at the second annual American Red Cross Christmas Boutique.

Held at Red Cross Headquarters, 333 McKendrie St., San Jose, from 10 a.m. to 7 p.m., proceeds will be used to help the local group's "Reaching Out and Community Involvement Program."

TO HELP YOU FEEL ACQUAINTED

- We believe that Jesus Christ is the Son of God.
- That righteousness is simply "rightness".
- That there is no one that is righteous.
- That through faith in Christ's death for us, God forgives our past sins.
- That through this forgiveness we can have fellowship with God, person to Person.

Thanksgiving grid battles wrap up '72 league season

With the exception of Saratoga, the league champions for the second time, the other West Valley League gridiron teams wound up the 1972 football season with the traditional Thanksgiving Day games.

Saratoga, last year's county champions, defends its title in the playoff battles that began last Saturday.

In the oldest rivalry in the league, Los Gatos defeated Campbell 35-6, the most one-sided victory for the Wildcats in the 39 years the two teams have met. Los Gatos now has won 22 games, Campbell 14 and there have been three ties. Los Gatos ended with a 4-5 season record.

Campbell wound league play with a 1-7-1 record to share the cellar with Camden. In the second oldest Turkey Day rivalry, Del Mar defeated Camden 27-13 and ended the season with a 4-5 record.

Westmont defeated Leigh 32-22, for its seventh straight win and gained undisputed second place honors in the league with a 7-2 record. Leigh ended with 4-5.

Branham defeated Prospect 36-7 to gain a tie with Prospect in the league standings. Both teams ended with 6-3 records.

Saratoga, undefeated for the season, belted Blackford 39-0. Blackford ended with a 1-6-2 record.

CAMPBELL LOSES

In the Los Gatos-Campbell battle, Randolph Cobb, Wildcat quarterback, and Gary Lynn, halfback, proved the Bucs' undoing. Cobb completed eight of 13 passes for 165 yards and gained an additional 35 yards on 11 carries. Lynn was the leading rusher with 99 yards on 12 carries and two touchdowns.

Jim Oswald, of Campbell, completed 18 of 32 passes for 249 yards. In gaining Campbell's lone score, Oswald passed to John Navarro to get to the Wildcats' 20-yard line and then on a fourth-and-four, Oswald hurled a 14-yard pass to Curt Russell on the tackle eligible play.

WESTMONT WINS

In the Westmont-Leigh game, Dave Gillespie scored three touchdowns. During the contest, Westmont rushed for 150 yards and Gillespie was responsible for 95 of them. Westmont gained a total of 240 yards in the battle.

DEL MAR

Del Mar scored four touchdowns to win over Camden 27-13 but Camden scored first and last.

Camden scored on the opening play of the second quarter when Bob Martin, quarterback, hit Rick Davis for a 10-yard play. A pass interception by Wade Fernside of Del Mar set up the Don's first score, a pass from Jay Peryam to Harold Robertson for 10 yards. Fernside also set up the second score by recovering a fumbled punt on Camden's 28-yard line. Peryam passed for three of the touchdowns and sneaked through for one-yard for the other TD.

BRANHAM

Branham had an easy time in turning back Prospect 36-7. Prospect fought an uphill battle after Scott Hill, regular quarterback, was forced out of the game in the first half with a broken collarbone. Mark Loeffler, a regular halfback, took over for Hill.

Also injured in the game was Don Rooks, Prospect center, and Nick Babich.

In the meantime, Jack Fisher, Branham quarterback, excelled on the field.

Local pony league hands Santa Clara first defeat

Campbell - Moreland Pony League brought its Winter League program to a dramatic end Sunday by handing Santa Clara Mission its first defeat of the season.

The regulation season had finished the week before, but Campbell put together a make-up team which trounced Santa Clara, 5-1, in an eight-inning exhibition encounter at Lou Vierra Field in Santa Clara. The victims had posted a 6-0 A Division record to share the division crown with Santa Teresa.

The Campbell kids broke a four-inning scoreless duel in the fifth inning when catcher Bob Bossi scored from third base on a close sliding play at home plate while Les Lizer grounded out to third base.

Mark Codiroli scored Campbell's second run in the seventh when Dave Martin bunted and the pitcher tossed the ball over the first baseman's head.

Then Campbell went ahead 4-0 in the eighth inning on Steve Tyndall's two-run rip to center field. Cliff Judd later squeezed in Campbell's fifth and final run. Sharing the pitching for Campbell were Glenn Howard, Les Lizer, Wes Mitchell, Dino Hernandez, Mark Kahn and Doug Sears.

Defensive standout was Bossi, who turned in a superb job behind the plate. In addition, he collected two hits and scored a run. It was by far his best effort in the Winter League, and if there was a "most improved" award, he certainly would be a leading contender.

The Winter League season was somewhat sabotaged by the weather man, although the four participating Campbell teams managed to get in a total of 23 games, including three exhibitions. The two Campbell entries in the B Division dominated that league--one with a 5-1 record and the other with a 4-1.

CUBS COLLECT FOOD FOR B'NAI B'RITH

For the month of November, Cub Scout Pack 377 took on the Community Service Project of collecting canned goods to be donated to San Jose Chapter B'nai B'rith Women No. 443 Emergency Food Bank. The boys presented what they have collected, on the evening of Nov. 17 at 7 p.m., the evening of the monthly pack meeting.

PROMOTED

Cindy L. Gresham, daughter of Gene U. Gresham, 2750 Joseph Ave., Campbell, recently was promoted to private pay grade E-2 upon completion of basic training at the Women's Army Corps Center, Ft. Mc Clellan, Ala.

Pvt. Gresham received her training with Company E, WAC training battalion.

The private is a 1971 graduate of Santa Rosa High School.

COMPLETES BASIC

Army Private Robert G. Taniguchi, 23, son of Mrs. Shizu Taniguchi, 3965 W. Rincon Ave., Campbell, today completed eight weeks of basic training at the U. S. Army Training Center, Infantry, Ft. Polk, La.

Pvt. Taniguchi received the training with Company D, 4th battalion of the 2nd brigade.

He is a 1967 graduate of Campbell High School and received his B.A. degree in 1971 from the University of California, Santa Cruz.

VIKING RUNNERS TAKE SIXTH SPOT

West Valley cross countrymen placed sixth at the state meet held in Los Angeles on November 25.

Two former local preps were among the runners who helped pace the strong effort.

Bert Hume, a product of Campbell High, took 35th place and Jon Ahnberg, former Westmonter, nailed a 49th spot to rank as two of the best junior college runners in the state.

CAMPBELL HIGH COMPETES AT OAK GROVE

Campbell High School is among eight schools entered in the third annual Oak Grove Invitational Basketball Tournament set for Thursday, Friday and Saturday, December 7, 8 and 9 at the San Jose High School.

PLAY-OFF JINX

The state play-off jinx hung with the hapless West Valley College footballers last weekend as they were knocked out of competition after a first round loss to Chabot.

The Vikings fell to the Gladiators 21-18 on the Chabot field last Saturday but the loss was a real heartbreaker for the WVC gridders to take. Chabot scored with only 35 seconds left on the clock to defeat the upset-minded orange and blue.

The opening game win started West Valley on the right foot but then they lost four straight. They turned that around and won four straight as they headed into the play-offs against the state's number two team, Chabot. The Vikings were a heavy underdog in the opener.

A tie would have given West Valley the right to advance in the play-offs because they had already topped the Glads in total yardage. With time for only one more play, the Vikings went for that tie on a 49 yard field goal by Galloway. The kick was way short as the clock ran out. And even if the kick had been good, a flag was tossed and the Vikes would have been penalized on the play.

Alvarez closed out his junior college football career with a fine effort, completing 20 of 39 passes for 283 yards and two touchdowns. But he was intercepted three times, two crucial thefts.

An impressive end to an impressive jc career was logged by two-time all-leaguer Sam LoBue (Campbell). LoBue hauled in eight passes for 116 yards and both Viking aerial touchdowns. Halfback Mike Franz (Leigh) caught four for 54 yards, Pieracci three for 38, Jones two for 25, Gary Harris (Camden) two for 23 and Galloway one for 17.

Franz was the Viking leader on the ground. The back logged 46 yards on the turf on 18 totes to end the day with an even 100 total yards. Pieracci added 27 yards on the ground on seven tries and Roger Cantrell (Branham) gained 14 yards on six carries.

Doing the job for the Vikes in the front line were top notchers Gary Mrdutt (Leigh), center, Doug Allen (Los Gatos) and Dave Fuller (Branham), guards.

Defensive stalwarts in the West Valley attack, doing a great job of holding the powerful Glads, were backs Charlie Prior (Washington), Mike Oliver (Leigh), Bruce Batinich (Blackford) and Brad Syth (Santa Clara). Mike Montesano (Leigh) turned in a great effort at his defensive end slot and Vic Bennett (Buchser), Ken Padia (Leigh), Doug Gerdwagon (Leigh) and Steve Cobler (Leigh) all played strong.

ALUMS EDGE VIKES

It will actually be the West Valley College basketballer's junior college opener for 1972-73 Tuesday night when they host Diablo Valley College at 8 p.m. at Campbell High School. But it won't be their season opener.

The Vikings will be out in search of win number one when they host the DVC Vikings on the local boards. A victory would send them into the tough Fiesta Classic the following weekend on a winning note. The Fiesta event, played at San Jose City, pits DeAnza, Foothill, the Jaguars and WVC in local tourney action.

MATMEN WIN TWO

With their first real test of the young season set for Wednesday, the West Valley College wrestlers got their 1972-73 season off to an impressive start under new head coach Jim Root with wins of 33-18 over Cabrillo and 34-16 over the College of San Mateo.

The Vikings will travel to DeAnza College Wednesday for a double dual encounter with San Jose City College and Chabot, the defending state champion. The following Saturday WVC will battle in the Skyline tournament with 25 other schools.

Four Viking grapplers started their season off right with a pair of wins each in double dual action. Jamie Wheeler (Campbell), Dave Mendez (Buchser), Mitch Vierra (Westmont) and Kevin Locke (Buchser) all nailed two wins apiece in the Viking opener.

"I think that we'll have a good year," stated Root, in his first jc year after an impressive coaching career at Westmont High. "The real answer will come December 6 when we hit DeAnza and Skyline." The coach rates the two as the teams to beat in the Camino Norte Conference. "Those are the two teams to get by," Root added.

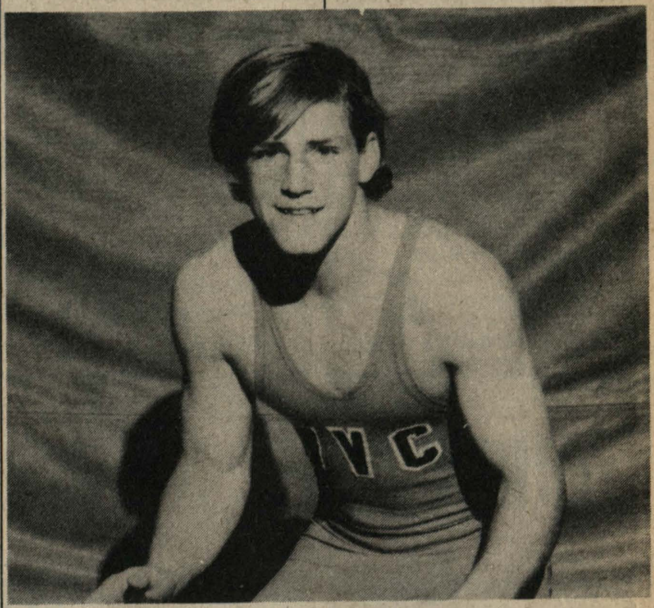
Vierra and Mendez, both lettermen and fourth placers in Northern California last year, are figured on to be Viking top notchers this season, along with Mike Walker (Campbell), currently out with a knee injury. "They're three real good ones."

RUNNERS 6TH IN STATE

"Teamwise, we ran real well," said West Valley College cross country coach Bill Campbell after his harriers nailed a sixth in the state meet in Los Angeles last week.

The Vikings notched 134 points in the meet, only six behind fifth place Bakersfield. Grossmont was the state winner at 46.

Mike Schaecher (Branham) was the first runner in for the Vikes but finished out of the medals in 14th. Mike Laniger (Mitty) was 25th, Dale Finochio (Mitty) 33rd, Bert Hume (Campbell) 35th, Arturo Tello (Santa Clara) 36th, Jon Ahnberg (Westmont) 49th and Pat Rexroad (Del Mar) 56th.



JAMIE WHEELER

TWO WINS FOR MATMEN---West Valley's wrestlers took two wins each over Cabrillo and College of San Mateo. The Vikings journey to De Anza today for a 4 p.m. match-up with Chabot and San Jose City. Pictured above, Jamie Wheeler, graduate of Campbell High. Other winning grapplers were Mitch Vierra, a Westmont grad, Dave Mendez and Kevin Locke.

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER REQUIRED FOR HIGHWAY PURPOSES

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Thirty Thousand and no/100 Dollars ($30,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title, 300 South First Street, San Jose, escrow number 156921. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of Three Thousand Dollars ($3,000.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent (10%) of the minimum price specified in this resolution. No bids shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or
(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on February 14, 1973 at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., February 14, 1973, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on November 14, 1972, by the following vote:

CAMPBELL UNION SCHOOL DISTRICT

155 NORTH THIRD STREET
CAMPBELL, CALIFORNIA

NOTICE TO CONTRACTORS

The Board of Education of the Campbell Union School District of Santa Clara County, State of California, invites and will receive sealed proposals up until 2:00 P.M. December 13, 1972, at the School District Office, 155 North Third Street, Campbell, California, at which time and place said bids will be opened and read in public, for furnishing all labor and materials for construction of Additions to Hazelwood, Campbell and Forest Hill Elementary Schools.

Work must be done in strict accordance with the Drawings and Specifications prepared by Allen M. Walters and Associates, Inc. and obtainable at the office of Higgins & Root, Associates, A.I.A., 400 Blossom Hill Road, Los Gatos, California, Supervising Architect for construction.

A deposit of $50.00 per set will be required from all contractors receiving plans, said deposit to be returned by the Supervising Architect when Drawings and Specifications are returned in good condition.

All bids are to be made out on forms furnished by the Supervising Architect. No bidder may withdraw his bid for a period of thirty (30) days after the time set for the opening thereof.

The Board of Education reserves the right to reject any or all bids and to waive any informality in any bid received.

Each bid must be accompanied by a certified check, cashier's check or bidder's bond made payable to the order of the Campbell Union School District in the amount of ten per cent (10%) of the tendered bid, as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Education in accordance therewith.

The successful bidder will be required to furnish a bond for faithful performance in the amount of 100% of the contract price, and a bond for material and labor in the amount of 100% of the contract price.

The work to be performed under this contract shall commence upon execution of the agreement and shall be substantially completed by August 3, 1973. Time shall be the essence of this agreement. The substantial completeness of the work to be performed shall be within the determination of the Supervising Architect alone, and the parties signatory hereto agree that this determination shall be final.

Should said work not be completed within the time hereinabove stated, there will be deducted from the final payment the sum of One Hundred and No/100 Dollars ($100.00) per calendar day, as liquidated damages but not as a penalty, for each day's delay after the expiration of such period until the final physical completion of the work and its delivery to said Owner.

Workmen employed in the work must be paid not less than the latest prevailing scale of wages adopted by the Board of Education. See Labor Code, Section 1773, Wage Rates, which has been adopted and published by the County of Santa Clara Board of Supervisors and the Campbell Union School District Board of Education - said wage rates published in the San Jose Post Record on December 29, 1971.

Ordinary overtime, one and one-half times the above rate, legal holidays, Saturdays and Sundays where crafts work a five-day week and/or where schedule of crafts so provide overtime shall be paid at the rate of double time.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Santa Clara hosts "Hymn of Jesus" weekend concert

SEMI-CHORUS -- Mary Balkow, lower right, is among members of the Santa Clara Chorale in rehearsal for "Hymn to Jesus" by Gustav Holst planned for December 9 and 10 at the Los Gatos Presbyterian Church. Other members of the semi-chorus include: from upper left, Marilyn Meadors, Kathy Brown, Marge Carlson, Elizabeth Neilson and Donna Chadwich. Front row, from left, June Taylor, Marry Lee Glass, Elizabeth Elbon and Mrs. Balkow.

The Los Gatos - Saratoga Symphony will combine with the Santa Clara Chorale to present a program of Christmas music on December 9 and 10. The Saturday concert will be held in the Santa Clara Mission on the campus of the University of Santa Clara at 8 p.m., and a repeat performance will be held on Sunday in the Los Gatos Presbyterian Church on Shannon Road at 3 p.m. The program is offered free of charge.

Conductor John O'Neill will direct a string orchestra in a Christmas Concerto by Corelli, and a Suite of Carols by Leroy Anderson.

The orchestra and the chorus will combine to perform "Hymn of Jesus" by Gustav Holst. The choir will be under the direction of Lynn Shurtleff, associate professor of music at the University of Santa Clara.

The Los Gatos - Saratoga Symphony is sponsored by West Valley College, the cities of Los Gatos and Saratoga, and members of the Symphony Society. The Santa Clara Chorale is sponsored by the City of Santa Clara.

DARTING AROUND
with Tom Carroll

Now that the first Cycle Carnival is over, promoter Paul Bender can turn his talents to the annual San Jose Autorama. This year's event will be the 23rd one and will take place January 12-14 at the Santa Clara County Fairgrounds.

To get an idea of the scope of the show, it will occupy three buildings at the fairgrounds, one has to look at the list of more than 200 exhibitors. George Barris of North Hollywood will be making his 23rd appearance. Barris is well known for his custom cars as well as building special cars for the movies and TV. Jerry Pennington of Detroit and Bob Schohaven of Portland, Oregon are also on the list.

Three San Jose designers will also exhibit during the three-day event. They are Mike Dwight, Vince Burgess and Frank Rocha.

This year's show will be sanctioned by the International Show Car Association and will be a AAA International class with championship points being awarded, according to Bender.

Additional features will include a fashion show, a Mr. Physique contest, a band competition, weight lifting and the largest model car event ever presented in the Autorama's history.

Like the Cycle Carnival, The Autorama will also have continuous motion picture showings. Featured will be films of the 1972 Indianapolis and Daytona Beach 500-mile races.

SUPER CHOPPERS

For a couple of years Campbell has had its own carnival. Butler Amusements has had their winter quarters here and has entertained at shopping centers and schools in the area. Starting out with four rides four years ago they now have grown to be a major force at county and district fairs in the state with an impressive line-up of more than 20 rides.

Last spring Earl "Butch" Butler and Rex Evat put together a ride called "Super Choppers." This inexpensive unit proved to be such a success at fairs this summer they are now packaging the ride for sale to other shows around the country.

The show people of the country meet in annual convention in a couple of weeks at Las Vegas and "Super Choppers" will be there. This convention attracts all of the major carnival owners as well as the top show producers and fair management people from coast-to-coast.

This adds one more little known business to Campbell's list of entertainment-oriented businesses which include a race car builder and a top talent agency. Very quietly our town is involved in many major business operations that we never think about.

Auto theft with a new wrinkle

An auto theft, discovered here Friday, has one interesting twist. The owner of the car, Darrel Helmhout of San Jose, may have spoken to the thieves prior to the auto's disappearance.

According to Helmhout, about one week before his car was stolen, he was working on the 1966 auto, parked with engine removed, on Union Street. Two men approached him and according to the owner said, "So you're going to steal it. We were going to take it for the wheels and tires." They left without further word.

They may have returned.

PUBLIC INVITED TO LEGION PARTY

The public is invited to a card party, sponsored by American Legion Auxiliary 158, on Monday, December 4, 1 p.m. at the post hall on Dell Avenue in Campbell.

Prizes and refreshments are planned for the event.

Accident victim care told at West Valley offering

A number of new courses will be offered at West Valley College following approval of the courses recently by the governing board.

The courses include two new offerings in the nursing program--assessment in traumatic injury and counseling the alcoholic patient. These courses were developed in response to request from local community medical personnel. By 1975, according to state law, college credit will be needed by nurses in order to continue their licenture.

Other new courses include earthpark (offered as part of the park management program, this course is designed to prepare students to conduct interpretative talks and displays about the rocks and land forms of parks); real estate investments; directed readings in French, German, Italian, Norwegian and Spanish; independent studies in engineering and individualized typing.

Most of the new courses will be offered during the spring semester.

In other action Thursday evening the governing board:

Authorized the administration to apply for construction and equipment funds under Title VIA and VII of the High Education Act of 1965. The college is requesting federal funds for construction of the learning center building on the Mission Campus in Santa Clara and for funds for business education division instruction equipment.

Approved a modification of current board policy relative to employee recruitment to include active recruitment of women as well as ethnic minorities.

Approved a revised list of classified positions which are exempt from overtime.

Approved submission of an application for federal funding under Title I of the Community Services Act for a project to strengthen statewide and regional coordination of continuing education services.

Approved a request from the classified employees that Dec. 22 be declared a holiday.

Awarded bids for both photography and audio-visual equipment.

SAN DIEGO TRIP PLANNED BY YWCA

A trip to sunny San Diego, haven of winter-weary travelers, is scheduled by Y-Travelers, a group of YWCA-sponsored men and women, on Washington's birthday weekend, Feb. 17-21.

Itinerary will include a visit to world-famous San Diego zoo, a tour of Sea World, and a side trip to Indio for the Date Festival.

Chartered bus, baggage handling, and four nights' accommodations are covered by the fee charged. Call the YW, 210 South Second St., at 292-5727 to make reservations.

Both men and women are eligible for membership in the group.

DID YOU GET IT?

On October 31 the County mailed over 300,000 tax bills to Santa Clara County property owners. Any owner who has not yet received a bill should notify the Tax Collector's Office to avoid late payment and penalities, according to Tax Collector Carl Martin.

Many property owners do not receive their tax bill promptly because they have not supplied the County with an up to date address or because the U.S. Postal Service has returned the bill to the County as undeliverable, Martin said.

EARNS TROPHY

Airman First Class Ernest H. Adams Jr., son of Mr. and Mrs. Ernest H. Adams of 975 Jean Drive, Campbell, is a member of the 12th Missile Warning Squadron at Thule AB, Greenland, which has earned the Chennault Memorial Trophy.

CLERK—RECORDER

Olga A. Pfeifle, assistant county clerk since 1967, has been named acting County Clerk-Recorder to fill the vacancy caused by the recent death of Clerk-Recorder George Fowles, County Executive Howard Campen has announced.

The Clerk's Office is responsible for maintaining the official records of Superior Court, and the Recorder's Office is the official custodian of all property transfer records, plus birth, death and marriage certificates and other official documents.

Accident victim care told at West Valley

West Valley College's continuing education program will offer a course on "Patient Assessment in Traumatic Injury" at Good Samaritan Hospital in Los Gatos beginning in December.

One session will be held Mondays, beginning December 4 and running through January 29, from 8-11 a.m. A second section of the class will begin December 6 and run through January 24 from 7-10 p.m.

Although primarily designed for nurses involved in such work, the class is open to all health personnel working with traumatic injury patients.

Registration for the course will be held during the first meeting of each of the two sections. Enrollees should be prepared to attend the Dec. 4 class from 8 a.m. - 12 p.m. while the Dec. 6 class will run from 6 - 10 p.m.

Those registering for the course should bring their social security card and a check or money order for $6 to the first session for registration.

Further information on the course may be obtained by calling Mrs. Betty Hendrick, coordinator of West Valley's nursing program, at 867-2200, ext. 343.

Campbell Artist's Guild

by Ruth Earl

Campbell Artist's Guild will hold its general meeting, on November 30 at 7:30 p.m. at the reception hall in the Bridal Center, 2020 S. Bascom at Campbell Ave., Campbell. Because of Thanksgiving Day falling on the third Thursday, regular meeting night, this meeting has been set for the last Thursday.

Program guest for the evening, will be Vern Rutlen, who will be speaking on "Selling Techniques," with special emphasis on the sale of art, Selling "Do and Don'ts" for the Artist. All members are urged to attend, as this program is planned to better prepare you for participating in future selling shows.

The November meeting will be the last meeting of the year for C.A.G., therefore members are to bring the Christmas gifts to be donated to the Eastfield Home For Mentally Disturbed Children to the meeting. Special refreshments will be served after the program, and gifts will be collected at that time.

The Artist of the Month selection will be held after the program, also.

***

Artist of the Month for October was Claudia Tillman, guild secretary. She received the award for a beautiful seascape, titled "Afternoon Light." Claudia is a second time winner in this category, having been chosen for the distinction in 1971.

Mrs. Tillman has studied with Don Foster, Janet Krus-Kamp and Olive Curtis. She received her Bachelor of Arts degree in decorative arts and interior design, at the University of California, at Berkeley, and has won numerous awards for her work, and has demonstrated her painting techniques to Guild members.

Examples of Claudia's work may be seen, currently, at Informed Relocations Consultants Inc. offices at 888 Saratoga Ave., San Jose. Campbell Artist's Guild proudly invites the public to view these lovely paintings at the above address.

Valley presents "R/H Factor"

West Valley College will present the exciting sounds of the "R/H Factor," Nov. 30 at 8 p.m.

This nine-piece musical group, under the direction of Roland Haynes, has created an audio-visual sound, which ranges from the contemporary and heavy rock sound of today to lush vocal arrangements. The group is composed of piano, bass, drums, guitar, harmonica and three vocalists.

In addition to Haynes, who composes and arranges all music performed by the group, the R/H Factor includes Ndugu, Paul Smith, Dick Horn, Tom Trujilo, Donald Bailey and three female vocalists - Judy Dickey, Joanne Cladianos and Robyn Anderson.

Before organizing this group, Haynes toured with such notables as Earl "Fatha" Hines, Dizzy Gillespie and Jacques Brel. Other appearances include performances with Dionne Warwicke and Vince Guaraldi.

Tickets for the concert, (which will be staged in the Campbell campus auditorium, corner of Winchester Blvd. and Campbell Ave.), may be obtained through the college's Community Services office, 379-1733, ext. 58.

Teachers sought by hiking club

Junior and Senior high teachers are being sought by the West Valley Hiking Club to start outing groups at their respective schools.

Teachers have the option of planning their own outings or selecting outings from the Hiking Club schedule. The job of the teacher includes gathering interested students, collecting trip fees and keeping students informed.

The Hiking Club provides three professional leadership Guides, transportation, food, group equipment, some personal equipment and all insurances.

The cost of the individual student is $13. Outings are scheduled on weekends although the Club offers longer trips for all young people during the vacation periods.

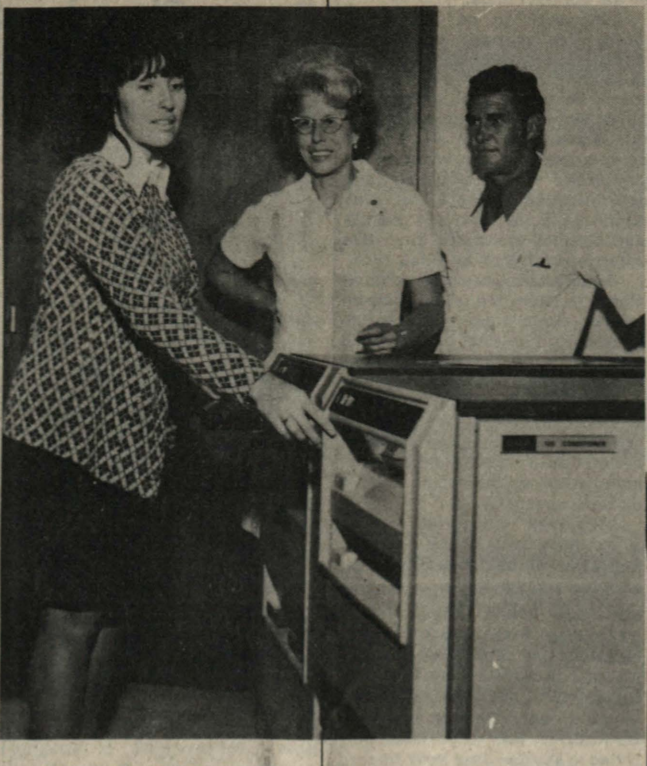
Trips are typically scheduled to the Sierras, the mountains behind Big Sur and Point Reyes and various other areas.

In addition, teachers can earn up to $30 per weekend for their efforts, if they choose, or this money can be diverted into a fund to help underpriviledged youngsters take part.

The Club is currently operating three buses and is scheduling approximately ten outings a month. The Club is contemplating the purchase of an additional bus which will allow the addition of about three more school programs, commented Berthiaume.

During Christmas vacation, groups will backpack in the Grand Canyon, explore the mountains of Baja California and cycle in Death Valley. These groups are limited to 15 young people each.

Teachers interested in starting a group at their school should write the Hiking Club at 409 E. Hamilton Avenue, Campbell 95008.



RECENTLY INSTALLED— With the new Xeroradiograph System installed this past month at The Good Samaritan Hospital both positive and negative x-rays can be produced. Pictured above, from left, Barbara Van Horne, R.T., explains use of the new system to Anna Belle Volk, R.T., clinical instructor, and Jay Banks, chief radiologic technologist at the hospital.

CHRISTIAN WOMEN HOLD MEETING

The Christian Business and Professional Women, Peninsula Councils, will meet this Monday, December 4, at the Red Coach Restaurant in Cupertino.

The 6:45 p.m. meeting will feature John Jauchen, who will speak to the group on rural America, while Mr. and Mrs. Tom Fox will offer musical selections.

Reservations may be made by calling Ruth Frazee at 245-3452.

NO NOISE TO FOIL BURGLARY

With undergraduate watch dogs on hand a thief apparently managed to hide inside the Dolphin Pet Center at closing the day before Thanksgiving.

According to reports, the thief is believed to have hidden inside before closing and later left the premises with approximately $150 in cash.

The theft was not discovered until Friday morning.

Glass-blowing demonstrated

Metal sculpture, glass blowing and glass chimes are part of the craft to be demonstrated at the art show of the Creative Artists Group beginning Friday, December 1 at the Kirkwood Plaza Center.

The group is seeking inside locations for some 20 permanent artists and craftsmen. Anyone with available locations is asked to contact Bea Griffin, director, at 379-9268.
